“After falling 20 feet off my porch holding my infant daughter, I shattered my arm and couldn't work. I hired Chip Abrahamsen as my attorney and couldn't be happier with the experience I had with this law firm. He gave me all the information I needed in my case, gave me extremely helpful advice, and settled my case within 7 months of the incident. I am incredibly pleased with the outcome and the fact that I had such an attentive and supportive attorney made a very painful and difficult situation much easier.”
